Eligibility Criteria

- Candidates should have relevant qualifications for the applying position.
- **All categories: Experience must be in Oil & Gas, Refineries, or Petrochemical maintenance projects only.**

For Mechanical Fitter, Instrument Fitter, Electrician, Electrical Mate, Cable Jointer, Cable Jointer's Mate, GRP Fitter / Fiber Glass Worker, Fabricator / Sheet Metal Worker, and Scaffolding Rigger:

- Minimum 2 to 3 years of Gulf oil & gas experience is acceptable for these positions.

For all other categories (Supervisor Mechanical, Senior Mechanic, Senior Technical Assistants, Technical Assistants, 6G Tig & Arc Welder, Safety Officer, Safety Engineer, etc.):

- Minimum 8 years of total oil & gas experience required – combination of 3 to 4 years in India plus the balance (4+ years) in Gulf oil & gas / refinery / petrochemical projects is acceptable.
- Valid trade certificates / qualification documents relevant to the applied role.
- Prior Gulf/KOC project experience will be an added advantage.

Documents Required

- Updated CV/Resume with complete work experience details
- Passport copy (minimum 2 years validity)
- Educational & trade/technical certificates
- Experience certificates from previous employers
- Passport-size photograph

How to Apply

Interested candidates meeting the above eligibility criteria are requested to send their updated CV for screening and shortlisting.
